

Annual Giving Campaign

October 2011

Dear St. Martin's Supporters,

We have officially kicked off our Annual Giving Campaign for the 2011-2012 school year.

PLEASE HELP US REACH OUR GOAL.

As a private Christian school, St. Martin's does not receive any federal or state funding so your generous gifts are needed and appreciated. We must rely on the Annual Giving Campaign and other outside sources to help bridge the gap between operating expenses and tuition revenues.

The Annual Giving Campaign provides additional financial support to the following programs at St. Martin's School:

- Faculty professional development
- Small class size
- Library acquisitions
- Classroom technology and equipment
- Programs in art, music, theater, sports and community service
- Enrichment programs

Our goal is 100% participation for our 2011-2012 Annual Giving Campaign. Every gift, regardless of the size, makes a difference. Unlike tuition payments, your gifts to the Annual Giving Campaign are tax deductible.

Sincerely,

Joe Stensland
Chair, Annual Giving Committee
